Lilyben Kitchens are crafted from a blend of traditional and modern materials to provide living space to suit your home and life style.

We believe your Kitchen should be unique and personal to you from your first thoughts through to the finishing touches - Lilyben can make your Kitchen 'Your Kitchen'.

We offer a complete design service advising as necessary, but always listening to your requirements. We have over 40 years carpentry experience and can design and construct a wide variety of Kitchens styles and units, including solid wood - fitted and freestanding units, hand painted, stained, varnished and natural wood finishes.

We can refurbish your existing Kitchen with the fitting of new cupboard doors, painting existing doors and new work tops etc.

Our complete service can include;

- Flooring - real wood, slate, granite, tiles etc
- Plumbing services
- Electrical Installations
- Integral Kitchen Appliances
- Lighting
- Building items - Walls, Windows and Beams.
